## The First Native American Series

Original Lithographs

1971-1982

*"What Baskin has done could seem to be inevitable -- if the resurgence of Nature's powers is inevitable. He has salvaged that responsibility for the human form divine, and bestowed it again -- on art."* -- Ted Hughes, Poet Laureate of the United Kingdom

Leonard Baskin was honored with a 52 year retrospective exhibition at the Library of Congress in 1994. The artist is creating a sculpture for the new F.D.R. Memorial.

There are 17 original lithographs in the series, printed in small signed and numbered editions. The lithographs sell for \$500 to \$1,600. A set of 17 postcard size reproductions of the lithographs is available for \$10.
