

VINCENT VAN GOGH

The Complete Works on Paper

J.-B. de la Faille

A Tree in the Garden of Saint Paul's Hospital With a Figure in the Background. 1889. Watercolor. F 1533. Rijksmuseum, Amsterdam.

Selected by CHOICE Magazine as an Outstanding Academic Book.

First complete edition of the drawings, watercolors, lithographs, and etching. Two volumes: 544, 312 pp. 1,400 illustrations.

A revision and enlargement of the 1970 catalogue raisonné. This new edition updates provenance and the bibliography. It reproduces many more drawings from the *Sketchbooks* and *Letters*. A concordance is provided to the 1980 Hulsker and the 1990 *Vincent van Gogh Drawings* catalogues. The reproductions are easily located in this edition and there is additional information on the lithographs and etching. For the scholar and connoisseur, the original 1928 French edition is reprinted in its entirety. 1992. ISBN 1-55660-126-3.

Available from our antiquarian department: The 1939 and 1970 de la Faille editions and the 1980 Hulsker catalogue.
